Iplex Nexuscoil, unslotted with **Yellow** Stripe

Iplex NEXUS® is a twin wall HDPE pipe combining a smooth inner wall with a corrugated outer wall. During manufacture, the two walls are welded together, providing structural stiffness with smooth bore flow performance. Iplex NEXUSFLO is slotted whilst Iplex NEXUSCOIL is unslotted. NEXUS® pipe is available in standard OD sizes 110mm, 160mm and 200mm.

Features & Benefits of Iplex Nexusflo and Iplex Nexuscoil

<i>Smooth Bore</i>	NEXUS smooth bore supports flow performance, and installation at lower gradients, compared with a similar size Iplex Novaflo corrugated bore alternative
<i>Coupling</i>	All sizes of Nexus are provided with a factory fitted, end load resistant coupler on each coil
<i>Twinwall</i>	NEXUS corrugated outer wall, and twinwall construction, gives underground structural performance
<i>Flexible</i>	NEXUS pipe flexibility assists with pipe handling and location during installation
<i>Fittings</i>	NEXUS is compatible with commercially available injection moulded PVC DWV and Stormwater, fittings to assist with flexibility of use.
<i>Sizes</i>	NEXUS is available in three diameters allowing a degree of choice to match the performance requirement.
<i>Material</i>	NEXUS is manufactured from high density polyethylene (HDPE), a plastic material which is impact resistant, rust proof, abrasion resistant, and durable for in-ground service.
<i>Quality System</i>	NEXUS is manufactured in New Zealand by Iplex Pipelines using a Quality Management System accredited to AS/NZS ISO 9001:2015
<i>Identification</i>	NEXUSFLO and NEXUSCOIL are colour coded with a co-extruded coloured stripe to aid product identification
<i>Recycled HDPE</i>	NEXUS contains significant proportions of Post Consumer Recycled HDPE material derived from local sources within New Zealand

Product Diameters and Coil lengths

	Diameter OD (mm)	Length or Coil Size (metres)	Colour of pipe & stripe
Iplex NEXUSFLO (slotted)	110	15, 30, 50, 100, 450	Black with blue stripe 
	160	45, 185	
	200	5, 29, 120	
Iplex NEXUSCOIL (Unslotted)	110	15, 30, 50, 100, 450	Black with yellow stripe 
	160	45, 185	
	200	29, 120
